The University Of The South Pacific, FIJI**

The University of the South Pacific, FIJI

COLLEGE OF BUSINESS AND ECONOMICS

Visiting and Fulltime Faculty Positions at Various Levels

The appointees will teach undergraduate and postgraduate level courses across the accounting and finance curriculum, in any of the following areas of financial accounting, management accounting, auditing, finance, public sector accounting or information systems. The appointees will also be expected to contribute to teaching through the distance and flexible learning mode at other University Campuses within the Pacific Islands and if appointed at higher level will also be expected to contribute to the school's postgraduate research programs.

For appointment at lower level, applicants must have a relevant Master`s degree and some tertiary teaching experience. For appointment at the higher level, applicants must have a PhD or a relevant Master`s degree with a demonstrated active interest in research work and significant and extensive tertiary teaching experience. The level of appointment will depend on qualifications and experience. Preference will be given to applicants interested in working on collaborative research programs in the field of expertise.

For enquiries and further information: email Dr. Rohit Kishore at kishore_r@usp.ac.fj. or rhtkishore@yahoo.com.au. or ring 0011-679-3232570.
